The Neomounts by Newstar toolbar mount, model FPMA-DTBW100 is a tilt- and rotatable mount for flat screens up to 30". This mount is a great choice to use in combination with Neomounts by Newstars' toolbar model FPMA-DTB100, FPMA-DTB200 or FPMA-WTB100.

Neomounts by Newstar's versatile tilt (180°) and rotate (270°) technology allows the mount to change to any viewing angle to fully benefit from the capabilities of the flat screen. Depth 8 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the workplace nice and tidy.

FPMA-DTBW100 has one pivot point and is suitable for screens up to 30" (76 cm). The weight capacity of this mount is 8 kg each screen. The toolbar mount is suitable for screens that meet VESA hole pattern 75x75 and 100x100 mm. Different hole patterns can be covered using Neomounts by Newstar VESA adapter plates.

By using an ergonomic mount neck- and back complaints can be avoided. Ideal for use in offices and on counters or in a reception area.

All installation material is included with the product.
