

The NewStar floor stand, model NM-M1700BLACK is a mobile floor stand for flat screens up to 75" (191 cm). This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This cart stretches your investment by serving a variety of projection needs by sharing a large display over multiple rooms. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location.

The mount is manually height adjustable from 103 to 153 centimetres. An innovative cable management conceals and routes cables from mount to flat screen. Hide your cables to keep the stand nice and tidy.

NewStars' floor stand, NM-M1700BLACK holds your TV, AV equipment and even hides your cables. The casters allow the stand to move it to where you need it. Easily roll this cart through doorways and over thresholds.

NewStar NM-M1700BLACK has one pivot point and is suitable for screens up to 75" (191 cm). The weight capacity of this product is 45 kg each screen. The stand is suitable for screens that meet VESA hole pattern 200x200 to 600x400mm.

All installation material is included with the product.
