

- 1** Identification of the parts
- a Eve Air frame (product number: 630-xx)
  - b Eve Air cover (product number: 631-xx, 632-xx)
  - c Eve Air cover security version (product number: 633-xx, 634-xx)
  - d 4 spacers for Air 2

- 2** Positioning of the wall box (not included)
- A wall box should be foreseen to install the iPad power supply. The puck (not included) is a USB power supply which fits into a 1-gang wall box and uses the standard lightning to USB Cable, supplied with the iPad.
- The wall box should be installed according to the dimensions on the drawing (2).

- 3** Direction of the frame
- The Eve frame can be mounted horizontally or vertically. Make sure to mount the iPad in the correct direction according to the drawing. (3). **Installing the frame in the wrong direction can damage the iPad.**

- 4** Puck Power supply (not included - product number: 610-01)
- Install the puck in the wall box following the instructions of the puck manual. Connect the standard iPad to USB Cable, supplied with the iPad, to the puck.

- 5** Installing the eve frame
- Please use the correct openings of the eve frame and ensure the screws are positioned so that they cannot damage the iPad. Eve Air is also compatible with iPad Air 2. Since the iPad Air 2 is thinner than iPad Air, we provide four black round spacers to install on the Eve frame (as shown on picture 5). In this way, the iPad Air 2 will be flush with the frame.

- 6** Mounting the iPad
1. Plug the power connector into the iPad.
  2. Place the iPad with its side in the small lip according to the drawing (6).
  3. Gently push the iPad in the frame so that it is being held by the magnets.
  4. Place the eve cover making sure that the cover is not squeezing the power cable.

- 7** Removing the iPad
1. Remove the Eve cover.
  2. Place one finger behind the iPad and another one on the iPad as shown on the drawing (7).
  3. Gently pull the iPad out of the frame making sure it cannot fall.
  4. Remove the power connector.

Dimensions

Eve Air set: 266mm/10.47" x 173mm/6.61" x 11mm/0.43"

–

Eve Air frame: 263mm/10.34" x 173mm/6.61" x 11mm/0.43"

Eve Air cover: 24mm/0.94" x 173mm/6.61" x 11mm/0.43"
