# Floor supported wall lift

#### 052.7155W Floor supported wall lift XXL for touch screen 98 inch, 180 kg - WHITE

This floor lift offers thanks to its three columns extra stability and robustness for working with a touch display. The display can easily be adjusted in height with the remote control, it adjusts it silently & electrically in height. At the back side of the mounting utility, space is reserved for placing a mini PC or thin client.

The stand offers an integrated bracket with a VESA of maximum 600-400. Product is good accessible with the accessories of the floor lifts (for example five surface solution, soundbar bracket or a compact locking lid can easily be utilized).
