

## Mount for PC

### **062.2883 Business & VC trolley build-in VESA 75-100-200 for PC**

This mount for a NUK or mini PC, thin client or other equipment is suitable for installation in our Business trolleys and stands. It contains small VESA patterns, plus universal patterns, to fasten the appliance; it is hereby fastened in the housing (away from sight).

These trolleys & stands have a luxurious look and feel and offer the space to easily place your peripheral equipment out of sight in the enclosure. Available are several accessories to build-in such equipment and for a VideoConference camera/laptop or a soundbar are easy to mount adapters available.
